DETAILED ACTION

Allowable Subject Matter

1. Claims 1, 3-15, and 17-18 are allowed.

The following is an examiner's statement of reasons for allowance:

2. In regards to claim 6, Kim as modified by Flumingnan et al. does not teach or suggest backside display panel lever fixing parts perforated with holes.
3. In regards to claim 1, to modify Kim as claimed would destroy the function of the lever. There is no motivation to modify Kim with the pivot-point at an intermediate portion of the first lever.
4. In regards to claim 3, a coupling recess/protrusion type connection between the two lever bodies is not suggested by modified Kim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
